Meet our potent new ingredient!

Best seller, made better: Our fan-favorite moisturizer is now enhanced with antioxidant *Super Lotus*, a potent new ingredient that targets the first signs of aging.

Created using a sustainable process, Super Lotus harnesses the power of the whole living lotus plant—from root to flower.

[Learn More](#)

We retained the moisturizer's beloved lightweight texture, and also enriched the formula with *star fruit leaf extract* to smooth skin and create an ideal canvas for makeup.
