

NUTRAFOL

# *Welcome to your* GrowthPlan+

We started Nutrafol because we experienced for ourselves how overwhelming hair thinning can be. Creating effective products was the first step, but we knew the missing piece was a strong foundation of resources and support to help people grow beyond thinning hair.

GrowthPlan+ is a trusted roadmap for hair health, personalized for you by our naturopathic doctors with comprehensive knowledge and expertise in this space. Starting with the Hair Mineral Analysis included here, they'll help you get to the root of your hair concerns so you can finally achieve the results you deserve.

We can't wait for you to get started on your path to success— and will be here to guide you every step of the way.
